Acknowledgements

The success of the Hart Field-Site Group research program could not be achieved without the contribution of a large number of people and organisations.

Supporters

We thank the numerous growers and consultants who provide various contributions from their knowledge and experience through to land and equipment for conducting trials.

Peter Baker Grant & Craig Jaeschke Ian Sparks
Andrew & Peter Cornwell Michael Jaeschke Alex Stockman
Robert & Dennis Dall Jim Maitland Sam Trengove

Matt Dare Peter & Lyell McEwin Tom & Ashley Robinson Trevor & Kathy Fischer Todd McPharlin Robert & Glenn Wandel

Leigh Fuller David Michael Mark Williams

Simon Honner Stuart Sherriff Justin & Bradley Wundke

Peter Hooper Damien Sommerville

We would also like to thank various organisations for the provision of seed and/or products that are trialed in the 2015 research program.

University students linking theory with practice at Hart

"It's vitally important for our third year students, who will be working in the industry next year, to visit a site like Hart to look at some of the leading questions farmers need addressed through research."

> Dr Gurjeet Gill, University of Adelaide 20th August 2015
