

NATIONAL GROWER NETWORK FORUM

TO BE HELD AFTER THE HART WINTER WALK

19 JULY 2022

SOUTHERN REGION

You are invited to attend the free-of-charge GRDC National Grower Network (NGN) Forum, which will be held after the Hart Winter Walk. Come along and contribute your suggestions for future GRDC investments in research, development and extension.

The Hart Winter Walk, from 9:00am-12:00pm, will involve an informal guided walk and inspection of the trial site post seeding. Guest speakers will outline 2022 trials.

The NGN Forum, from 12:30-2:30pm, will gather grass roots input into GRDC's investment plans by capturing opportunities and constraints facing local growers. You will also have the opportunity to talk to GRDC representatives and researchers working on GRDC investments. The forum will be led by GRDC Grower Relations Managers Randall Wilksch and Tom Blake, who will provide insights into current research and extension projects.

A facilitated workshop session will identify factors impacting farm productivity and profitability and review opportunities for local GRDC research, development and extension support.

Please bring your laptop or tablet for use during the session. Devices will also be provided.

REGISTRATION

WHEN: The NGN Forum will be on
19 July from 12:30-2:30pm
(directly after the Hart Winter Walk).
WHERE: 871 Hart Road, Hart SA 5453

***A note on participant safety**

We wish to reassure participants that your health and safety is our number one priority. Registration is essential and subject to the density limits specified in the venue COVID-19 safety plan. Each participant is requested to follow density, social distancing, hand hygiene and food safety practices as implemented by the organiser and venue. A reminder of these safety measures will be distributed to participants prior to each workshop. In the event the delivery of these workshops is postponed or cancelled due to an increase in COVID-19 restrictions, the content will be delivered in an alternative format.
