

HART FIELD DAY 2020

We're going to have
to do it
~~a little~~ differently...
lot

The health & safety of our staff, volunteers, supporters and members at the Hart Field Day is our top priority and let's be honest, a global pandemic and large crowds from diverse areas don't go hand in hand.

Despite our previous optimism, the management of COVID-19 risks and ever-changing restrictions have forced the Hart board to announce that this year's Hart Field Day will not be held. (We're devastated.)

BUT... we're already working on a variety of new ways to share our research with you, as well as a plan to make sure you can still have access to our trial site via mini events and small group or self-guided tours.

Keep an eye on our website for more details: www.hartfieldsite.org.au
